

NEW SERMON SERIES
AFTERNOON SERVICE
 For All Nations Presbyterian Church, January 2025

GENESIS 4: The Pattern of History
ACTS: The Acts of the Risen Lord Jesus Christ

From January we will start a couple new sermon series at the afternoon service. First, we will spend most of January slowly working through Genesis 4, seeing how this important chapter lays out the pattern of history for us. Then, in February we will start a longer series in the book of Acts. We will cover the first three chapters of the book in the leadup to Easter. This will especially help us to consider how Jesus Christ is still at work in the church and this world.
