

**NEW SERMON SERIES
AFTERNOON SERVICE**

For All Nations Presbyterian Church, February 2026

Leviticus: How Can We Draw Near to the Holy God?

Beginning in February, we will start a new sermon series in the Old Testament book of Leviticus. Leviticus is a very challenging book that Christians often struggle to read and understand. Rather than work through the entire book chapter by chapter, we will look at a few specific passages that highlight major themes in the book. Although some of the details of the book may seem distant and strange to us, the book raises one of the most important questions we can ever answer: how can sinful people like us draw near to the holy God? Leviticus gives us the answer in types and shadows that point us forward to the work of Jesus, our perfect sacrifice, perfect priest, and perfect Savior.

Date	Preacher	Sermon Text	Additional readings	Title
1 Feb	Tim	Exodus 40:34-Leviticus 1:9	Hebrews 8:1-7; 10:1-10	Holy God, Sinful People
